

SDD-UBIDS GRADUATE STUDENTS PROFESSIONAL SKILLS DEVELOPMENT PROGRAMME

Empowering Future Leaders with Essential Skills

Academic Year 2025/2026 | Version 0

Are you interested in enhancing your skills for the workplace? Do you see yourself as a leader in the future? If so, then you will want to enrol in the SDD-UBIDS Graduate Students Professional Skills Development Programme.

Background

The School of Graduate Studies at SDD-UBIDS, in partnership with Academics Without Borders and volunteers from the University of Victoria and Queen's University, Canada, invites applications for its newly launched Professional Skills Development Programme.

What You'll Gain

Complement your academic training with practical, career-enhancing skills:

- Critical Thinking & Problem Solving
- Career Planning & Reflection
- Professional & Communication Skills
- Teaching in Higher Education
- Leadership Development
